

DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee

SECOM-D-370

20 OCT 1980

MEMORANDUM FOR: Acting Director of Central Intelligence

VIA: Special Assistant to the DCI for Compartmentation
Deputy Director for Administration

STATINTL FROM:
Chairman

STATINTL SUBJECT: U.S. Intelligence Community Physical Security
Standards for Control Facilities

STAT

STATINTL 1. Action Requested: Your approval to circulate for
NFIB consideration proposed physical security standards for
 facilities.

STATINTL 2. Discussion: The Security Committee established in
1979 a working group with full Community participation to
review the 1973 USIB Physical Security Standards for Compart-
mented Information Facilities and to draft new standards for
use with the Special Access Control System. The result
of that group's effort was unanimously approved by Security
Committee members at their 9 July 1980 meeting. A copy of the
proposed printed version of these standards is attached.

3. Recommendation: That you approve circulation of
these draft standards to the NFIB for their concurrence and
subsequent issuance by you as a policy document binding on the
Intelligence Community.
